Summary: A poem in which Jake questions his choices and tries to answer himself.

What if

What if \*\*

>What if... <strong>

> <br>I have listened to my parents that night?

>I never walked through that construction site? <br>None of us ever met Elfangor?

>We never got involved in this war? <br>

>Would we still be here? <br>Would we still live in fear?

>Would we still be free? <br>What would our world be?

> <br>I could tell you my name,

>And not worry about this deadly game? <br>I could say I was normal?

>My only worry, what to wear to the formal? <br>

>Would the Yeerks win? <br>Would our freedom be lost?

>Would this war be over, <br>Without even a fight?

> <br>We never gained the power?

>Would all our dreams go sour? <br>This invasion remained silent?

>Would we not know until too late? <br>

>I had known what was to happen? <br>Would I still have walked this path?

>I could go back? <br>Would I change the past?

> <br>That moment in time had been changed?

>Which thread of time would spin? <br>That moment ceased to exist?

>Where would our lives begin? <br>

>Is Time to be questioned? <br>Is Fate to be changed?

>Is Destiny what we're born with? <br>Or something that we make?

> <br>Are our lives spelled out for us?

>Or do we make the choice? <br>And if we do,

>Are we right? <div>
